 forall payments for treatments and examinations within the framework of the health fund.

Members who received advance permission from the child development institute to return on examinations or treatments from private doctors can request the return up to the treatments detailed below.

The return may vary from time to time. The return will be made according to the return rate that was in force on the date of the treatment or examination.

The rates listed below are in new shekels (₪). Each amount indicates a single treatment or examination.

For children aged 3-0, the return will be made free of charge, except for the following populations: children aged 0-3, family members of children aged 6-18, families with low income, and those enrolled in a family plan.

For 4-year-old children, the return will be made at a discount of 50%.

The following returns are not included: first aid, examinations, and routine medical examinations.
